

ABOUT YOU

You will care about the future life chances of highly able students in the state sector and be passionate about teaching up to 9 at GCSE and A* at A Level and preparing students for entry to top universities (including Oxbridge and study abroad).

You will be passionate about your subject with school and degree qualifications that reflect this.

You will be keen to start teaching straight away and to earn a salary commensurate with that responsibility.

WHY TEACH AT WILSON'S

Teach highly able, motivated and well behaved students at one of the top state schools in the country.

Experience outstanding mentoring and pedagogical development.

Enjoy a culture of rapid promotion for talented staff.

Apply for up to £2.5k in relocation expenses.

Park on site for free and enjoy access to extensive sports facilities.

WILSON'S SCHOOL

Founded 1615

An opportunity to teach some of the most able state school students in the country in an OFSTED Outstanding school

For further information, please contact:

Gavin Englefield, Deputy Head
teach@wilsonsschool.sutton.sch.uk

Visits to the school will be available at certain points in the year.

FREQUENTLY ASKED QUESTIONS

Do I need QTS?

No. Whilst all of our teachers must be working towards the fulfilment of the Teacher Standards, we will train you ourselves to meet the school's 'excellence criteria' for teaching and learning. Teachers who fulfil the Department for Education's AO (Assessment Only) requirements will be supported to apply for QTS (usually) at the beginning of their third year of teaching.

When would I start?

Usually this would be the beginning of the academic year, or at the end of the previous June.

What will I be paid?

In your first year at the school you will be paid on the unqualified scale (UQ 3 currently £29,141). Throughout the year your progress will be reviewed against the Teacher Standards. The expectation is that you would demonstrate that you fulfil these standards and start your second year on point 1 of the main scale (currently £34,513, reaching £51,179 on UPS 5). You will also be eligible to join the Teachers' Pension Scheme.

How will I be trained?

You will be allocated both a teaching and learning mentor and a subject specialist who will, alongside the school's CPD Coordinator, develop a programme for you. They will be some of our best teachers and committed to making you the very best teacher you can be.

What proportion of my time will be spent in the classroom?

You will begin with a reduced (less than 50%) timetable, developing over the course of the year up to 70%. In the second year the timetable will be 90%.

What is the AO route?

More details can be found here:

[gov.uk/government/publications/the-assessment-only-route-to-qts](https://www.gov.uk/government/publications/the-assessment-only-route-to-qts)

If you were interested in this option, we would be able to arrange an appropriate placement at a contrasting school and we would also pay for the registration and assessment fees in your third year with us.
